Subject: Formal Apology Letter

Dear Snovasys Management,

I am Srihari Maddineni, a former employee of Snovasys Software Solutions. I was employed at the company from May 20, 2024, to August 16, 2024.

I acknowledge that my actions after leaving the company, arising from miscommunication and lack of proper guidance, have affected the company's reputation. I sincerely regret any inconvenience or offense caused to the management.

I assure you that I will not involve in any of the actions in the future that could directly or indirectly affect the company's reputation. I kindly request you to accept this letter as my formal apology, formally relieve me from the company and hope for a resolution of any outstanding matters.

Thank you for your understanding and support.

Best regards,
Srihari Maddineni
