**Subject:** Request for a Letter Regarding Cyber Crime Complaint Filed Against Me

Respected Sir/Madam,

I, SRIHARI MADDINENI, am writing this letter in connection with a cyber crime complaint reportedly filed against me by Mr. Visweswar reddy, representing Snovasys Software Solutions, Ongole, on 14th February 2025 at your police station.

As per your instruction, I appeared at Madhapur Police Station on 6th March 2025. During the discussion with both parties, you requested the complainant to submit supporting evidence for the allegations made. However, as of today, no further discussions have taken place, and it appears that no evidence has been submitted.

Considering this, I kindly request you to provide an official letter or acknowledgment of the above facts — specifically noting that the complaint was filed, I appeared as instructed, and that no evidence has been submitted by the complainant to date. This letter is needed to proceed with legal representation and to protect my rights.

I would be grateful for your cooperation in this matter and am willing to appear again at the station if required.

Thank you for your time and understanding.

Sincerely,

SRIHARI MADDINENI
