Cyberabad Commissionerate,  
Madhapur, Telangana.

**Subject:** Representation Against Misleading and False Complaint & Request to Prevent Unnecessary Harassment

Respected Sir,

I, Srihari Maddineni, S/o Ravi, residing at Mittapalem, Prakasam District, Andhra Pradesh, respectfully submit this representation regarding a malicious and misleading complaint filed against me at Madhapur Police Station by my previous employer, Snovasys Software Solutions.

I was employed with Snovasys Software Solutions at their Ongole, Andhra Pradesh office for 2 months and 27 days (from May 20, 2024, to August 16, 2024). Due to certain issues, I formally resigned from the company. However, since my resignation, I have been facing continuous harassment from the company for the past five months.

This harassment is clearly an attempt at extortion, as the company demanded that I pay ₹4,87,000, which I refused. I am currently fighting for my rights through legal channels.

Recently, I received a call from a police officer at Madhapur Police Station, asking me to appear regarding a complaint. However, I have not received any formal intimation or details regarding this complaint.

Ongoing Legal Proceedings in Andhra Pradesh:

I would like to bring to your kind attention that the same matter is already under formal legal proceedings in Andhra Pradesh, where I was previously employed. The issue has been officially raised before:

1. The Hon'ble Chief Minister's Grievance Cell, Andhra Pradesh
2. The Respected Commissioner of Labour, Andhra Pradesh
3. The Respected District Collector, Prakasam District
4. The Respected Superintendent of Police, Prakasam District

(Relevant supporting documents are attached.)

Since the legal authorities in Andhra Pradesh are already addressing this matter, the company has no further scope for harassment through legitimate channels there. It now appears that they have deliberately approached Madhapur Police Station with a fresh complaint solely to intimidate and harass me further outside the appropriate jurisdiction.

Concerns & Request:

As this matter strictly falls under Andhra Pradesh jurisdiction, I kindly request that Madhapur Police do not entertain misleading complaints filed in a different state.

I am deeply concerned that repeated harassment through false complaints and unnecessary police calls may negatively impact my professional career and mental well-being.

I request that I not be summoned unnecessarily for a matter that is already under legal review by the appropriate authorities in Andhra Pradesh.

If any legitimate issue arises, I am fully willing to cooperate through the proper legal channels.

I sincerely seek your intervention to ensure that I am not subjected to undue pressure or legal harassment through jurisdictionally improper complaints.

Thanking you,

Yours sincerely,

Srihari Maddineni
